01 PROFESSIONAL PROFILE

I'm Shubham Gaikwad, a fourth-year computer science student with a deep passion for web development. I specialize in JavaScript, React, jQuery, MongoDB, Express.js and Node.js with a basic understanding of data structures and algorithms. I thrive in team environments and have hands-on experience from internships at A2Z Infotech Pvt. Ltd. as a frontend developer and BEONEXPERT as a full stack development intern. I am particularly interested in designing engaging and user-friendly web pages.
